

RISK & COMPLIANCE SEMINARS

Work Health and Safety Act 2011

AIS is conducting a series of complimentary metropolitan and regional seminars to assist schools in the implementation of the **Work Health and Safety Act 2011** and the **Work Health and Safety Regulations 2011**.

The legislation is effective from 1 January 2012.

A one day program developed by the AIS for independent schools.

The seminars are designed to assist Principals, Business Managers and Senior Executives to:

- Understand the new legislation and its implications for schools
- Successfully implement legislative requirements
- Train staff and others using WorkCover endorsed materials

Participants will be provided with training materials endorsed by WorkCover for use in their school.

Attendance at this seminar is strongly recommended.

Book early to reserve your seat as demand will be high.
