what to do?

**Red Cross FamilySafe basic first aid
course for parents and carers is
coming to your school.**

The most important thing you will do for your family...

This unique course covers areas relevant to typical household accidents and injuries. Red Cross First Aid Trainers provide both instructional and hands on training in areas including:

- Minimising Risk
- Performing CPR
- Choking
- Anaphylaxis
- Shock
- Head & Facial Injuries
- Eye Injuries
- Burns & Scalds
- Bites & Stings
- Fractures & Dislocations

Participants completing the course receive an Emergency First Aid For Parents Manual and a Certificate of Attendance.

This program is open to all parents, carers, and family members and is also suitable for children in Years 5 & 6.

The course will be run at your children's primary school between the hours of 9:15am and 2.45pm on your designated school day(s).

Note: Class numbers are limited. Minimum 16 and Maximum 24. Additional classes may be added on alternative days if minimum numbers are reached, at the School's discretion.

 Please complete the following and return with payment to your school by the closing date to ensure your booking
