## Adobe Products:

### Maintenance:

Maintenance is an optional Upgrade Plan that provides all new version releases, product upgrades and updates.

Maintenance can be taken out any time for current versions only.

This is an annual program with pro-rata payments. With your Association Agreement your next annual payment for Maintenance is due **April 2010**.

### Media Set

One Media Set is required per software title to enable loading of the software. Multiple licence purchases only require 1 Media Set

### Concurrency:

Concurrent Licences allow your School to load the software on any number of computers, providing that the number of users using the software at one time does not exceed the number of concurrent licences the School owns. Please contact Edsoft on 1300 337 638 for further information and pricing.

### Document Sets

Document Sets for most products are available ph 1300 337 638 for further information.
