# AISNSW English Courses 2025

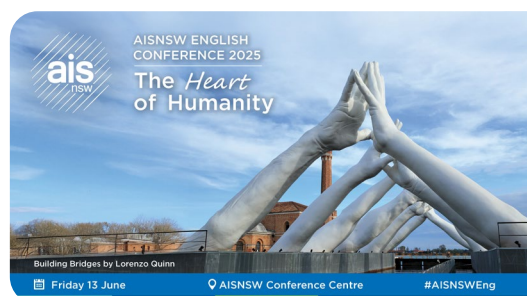

Shire Christian School

## New texts! New syllabuses!

It is a truth universally acknowledged, that navigating changes to HSC English courses is a high-stakes venture. If you are looking for a professional learning companion on this journey, AISNSW is here for you.

We have developed a suite of English professional learning experiences that will offer insight into the challenges and opportunities presented by these changes. A diverse offering includes targeted HSC courses alongside learning that explores discipline-specific knowledge and skills found in English 7-12.

Plan your professional learning journey with AISNSW by exploring the program below.
