Click directly on the course name and date of your choice to find out more and register your attendance.

Available all year

[Mathematics K-2 Syllabus Resource Hub](#)

ONLINE RESOURCE HUB

[Mathematics 3-6 Syllabus Resource Hub](#)

ONLINE RESOURCE HUB

[Planning and Programming with the Mathematics 3-6 Syllabus](#)

ONLINE SELF-PACED

These hubs have been carefully curated to provide a range of resources such as articles, blog posts, podcasts, recorded webinars, videos and teacher reference books to help support leaders and teachers implementing NESA's Mathematics K-6 syllabus.

Access to these hubs is available as part of each school's AISNSW membership

Learn how to plan and program using the Mathematics 3-6 syllabus through this self-paced online course that guides you through key steps in designing rich units of learning aligned with the syllabus outcomes and content.
