AISNSW Road Safety Education offerings 2025

Below you will find details of all Road Safety Education (RSE) offerings by AISNSW in 2025. Click directly on the offering of your choice to find out more and register your attendance.

[Road Safety in the New PDHPE 7-10 Syllabus](#)

Wed 29 October
3:45pm-4:45pm
WEBINAR

This webinar for secondary PDHPE teachers (Years 7-10) explores how to integrate RSE into the new NSW PDHPE 7-10 syllabus. Covering topics such as assessing risk, peer influence, and technology's impact on road safety, it provides practical approaches to foster critical thinking and responsible road use. Equip your students with the skills to navigate all road environments safely and confidently.

[Road Safety in the New PDHPE K-6 Syllabus](#)

Thu 30 October
3:45pm-4:45pm
WEBINAR

Join this webinar for primary teachers to explore RSE in the new NSW PDHPE K-6 Syllabus. Learn age-appropriate strategies to support students to stay safe around roads and access resources aligned with the syllabus outcomes. Gain the tools and confidence to deliver engaging lessons that build students' safety awareness and decision-making skills.

[Designing Safer Roads: Coding, Creativity, and Community Impact](#)

Tues 11 November
9:00am-3:15pm
FACE-TO-FACE at AISNSW

Teachers of Stage 4 Technology, are you ready to empower your students with the skills to create real-world change? This professional learning day brings educators together to explore the transformative potential of coding and digital technologies to develop solutions that promote RSE. You'll deepen your understanding of the syllabus and gain hands-on experience in fostering your students' creativity and critical thinking skills.

[Road Safety Ready K-6](#)

ONLINE SELF-PACED

This self-paced online learning experience for primary leaders and teachers provides a comprehensive approach to integrating RSE into the K-6 curriculum. Participants will explore how RSE can be woven into various Learning Areas, fostering a culture of safety that extends beyond the classroom. The course emphasises collaborative initiatives that involve staff, students, and the wider school community to create a supportive environment for safe practices.

On-demand Webinars

[Developing Action Plans for Safe and Active Travel](#)

ON-DEMAND WEBINAR

This on-demand webinar provides practical guidance for schools on how to implement effective RSE and develop action plans for safe and active travel. Learn how to engage students, staff, and the wider community in fostering safer travel behaviours.

[Boys and Road Safety: A Strengths-based Approach](#)

ON-DEMAND WEBINAR

Discover an innovative approach to RSE tailored for boys. This session focuses on empowering boys to make safe and responsible road choices by leveraging their strengths, values, and positive behaviours. Learn how to inspire boys and the broader community to foster safer practices while addressing their unique needs. Perfect for teachers aiming to deliver meaningful, impactful RSE with long-lasting results.

[Year 11 Health and Movement Science: Road Safety Depth Study](#)

ON-DEMAND WEBINAR

Join our on-demand webinar, where we delve into the exciting possibilities of depth-studies within the Health and Movement Science 11-12 Syllabus. This high-level overview uses road safety as a platform to provide students with an understanding of health promotion. Leveraging resources from Transport for NSW, this webinar supports teachers to equip students with a thorough grasp of health promotion concepts through practical and relatable examples.

[EAL/D students and RSE](#)

ON-DEMAND WEBINAR

Looking for fresh ways to make RSE more inclusive and engaging? This on-demand webinar is specially designed for K-10 teachers working with English as an Additional Language or Dialect (EALD) students. Discover practical strategies, ready-to-use resources, and creative ideas to help EALD learners connect with and understand key road safety concepts. Walk away with ideas to make RSE meaningful, accessible, and relevant for every student in your classroom.

Resources

[Be Bus Aware](#)

A teacher resource (Stages ES1-2) to promote bus safety in the classroom through the English syllabus.

[NSW Centre for Road Safety](#)

The NSW Centre for Road Safety provides a range of no-cost road safety related resources. Schools can order these at this site.

Proudly funded by

Visit the [AISNSW Road Safety Education](#) webpage to learn more about road safety education in schools and the support we provide to teachers

Please contact **Jo McLean, Katrina Mostyn, Dr Rachel O'Brien or Nicole Walter** on 9299 2845 for further details related to RSE professional learning.
