Towards the end of 2022, NESA released the new Mathematics 7-10 Syllabus. To support you in understanding the key features of this new syllabus as well as how to plan and program in response to these changes, AISNSW will be offering a variety of courses throughout 2023 as you prepare to implement this in your school in 2024.

Click directly on the course name, date and location of your choice to find out more and register your attendance.

### Planning and Programming for the New Mathematics 7-10 Syllabus
