

AISNSW Bookmarks: Order Form

Supporting schools to maximise the impact of home reading time

The AISNSW bookmarks have been developed with two purposes in mind:

- to assist schools to communicate to parents the particular learning purpose of each book their child brings home; and
- to provide tips for parents to maximise the impact of home reading time.

Teachers use different books to support the teaching of each of the five keys of reading:

- Picture books that play with sounds to teach **Phonological Awareness**,
- Decodable books that contain only the sound patterns students have learned to promote automaticity of **Phonics** and to ensure success and confidence,
- Books that students can read independently to promote **Fluency**,
- Books with superior language to expand **Vocabulary**,
- Quality fiction and information texts to teach **Comprehension** and develop a love of books.

There are two sets of bookmarks available for purchase: one for Kindergarten–Year 2 (5-8 years old) and the other for students in Years 3-6 (8-12 years old). A set contains 100 copies of each bookmark.

School:			
Your Name:			
Address:	Cost per set	Quantity (Number of sets)	TOTAL
Kindergarten – Year 2 Set There are ten full colour bookmarks in the K-2 set with two different bookmarks for each of the five keys (1000 bookmarks in total). Includes a Bookmark User Guide.	\$119		
Years 3-6 Set There are six full colour bookmarks in the set for Years 3-6 set (600 bookmarks in total). As it is anticipated that students in Years 3-6 will no longer need the Phonological Awareness and Phonics bookmarks, these haven't been included in this set. Includes a Bookmark User Guide.	\$99		
		Postage:	\$19.00
