Why and What?

The Primary Curriculum Network is a platform for K-6 curriculum leaders from AISNSW member schools. The aim of the group is to:

- build relationships with colleagues in similar roles across NSW
- stay informed about curriculum updates
- share effective approaches, practices and resources across the K-6 key learning areas
- draw on the experiences of colleagues during the Curriculum Reform and beyond
- provide insight to AISNSW about the needs of schools in the area of primary professional learning and support.

How?

Members of the network will meet together virtually (via the online platform Zoom) once per term from 3.30 - 4.30pm. Links to join each meeting and the focus of the meeting will be sent to all members prior to the session.

Meetings will not be recorded; however, resources shared will be disseminated after the meeting to all network members.

This professionally enriching experience forms part of each school's AISNSW membership.

Who?

- Membership is open to K-6 leaders of curriculum from AISNSW member schools.
