**PARTICIPANT CONSENT FORM**

I, ..... [PRINT NAME], agree to take part in this research study.

In giving my consent I state that:

- I understand the purpose of the study, what I will be asked to do, and any risks/benefits involved.
- I have read the Participant Information Statement and have been able to discuss my involvement in the study with the researchers if I wished to do so.
- The researchers have answered any questions that I had about the study and I am happy with the answers.
- I understand that being in this study is completely voluntary and I do not have to take part. My decision whether to be in the study will not affect my relationship with the researchers or anyone else at the University of Sydney.
- I understand that I can withdraw from the study at any time.
- I understand that I may email the researcher at any time if I do not wish the emailed assessment task to be used further in the study, and that unless I indicate otherwise the emailed assessment task will then be erased and the information provided will not be included in the study.
- I understand that personal information about me that is collected over the course of this project will be stored securely and will only be used for purposes that I have agreed to. I understand that information about me will only be told to others with my permission, except as required by law.
- I understand that the results of this study may be published, and that publications will not contain my name or any identifiable information about me.

I consent to the survey and uploading an assessment task to the researcher:
