The National Flagship Program 2025-2026

Over 11 powerful months, this globally acclaimed program propels experienced senior leaders and aspiring principals into a transformational journey, that challenges assumptions, sharpens purpose, and redefines what leadership can be in the complex, human work of leading schools.

The rigorous design of the program, which includes pre-readings and assignments prior to each of the face-to-face days, means that it is eligible for up to 50% credit with 16 universities around Australia for a Master of Educational Leadership and, in the case of Western Sydney University, an Educational MBA specifically designed for graduates of this program.
