A Suite of School Surveys

Ready to support your school’s growth with the Perspectives Suite of Surveys?

Perspectives: A Suite of Surveys

Introducing the *Perspectives Suite of Surveys*: robust, evidence-informed tools for capturing the unique voices of your whole school community. Gather insights to guide improvements, celebrate achievements, and strategically shape your school's future.

“Each of our schools receive their specific report and the individual data interpretation sessions, a great value-add and inform their annual evaluation and goal-setting process..”

Graeme Evans,
Deputy Chief Executive Officer,
St Philip's Christian Colleges

Perspectives: Your School in Focus

Understanding your school's unique environment is essential for effective planning and improvement. This survey gathers perspectives across five key domains:

- School Environment
- Teaching and Learning
- Student Wellbeing
- Leadership
- Community

Collect insights from your school community to gain a comprehensive understanding of your school's strengths and areas for development. Use the data to guide strategic planning, foster community engagement, and inform actionable steps for growth.

Perspectives: Staff Wellbeing

Understanding staff wellbeing is key to supporting a positive and productive workplace. This survey helps you assess areas crucial to staff satisfaction and retention, including:

- supportive relationships and sense of belonging.
- purpose and autonomy in roles.
- resilience and coping strategies.
- psychological and physiological wellbeing.

Using this data, school leaders can develop targeted initiatives to enhance staff wellbeing, support recruitment and retention, and foster a positive work culture.

Perspectives: International Baccalaureate

Gain valuable feedback from students, parents, and teaching staff on their experiences within your International Baccalaureate (IB) programme. This tailored survey includes domain-specific questions that align with the IB framework and supports the ongoing development of your offerings.

Key benefits include:

- data designed to support reporting requirements to the International Baccalaureate Organisation.
- stakeholder-specific insights across IB curriculum delivery, learner development, and school culture.
- actionable data to guide school-based reflection and strategic planning.

This survey is ideal for IB-authorized schools looking to gather meaningful evidence for programme evaluation, reporting and enhancement.

Perspectives: Graduating Year 12

Capture the reflections of Year 12 students and their parents about their schooling experience. This survey provides unique insights into:

- academic and personal growth during their time at the school.
- preparation for post-school pathways.
- overall satisfaction with the school environment.
- areas for improvement to support future students.

With this feedback, school leaders can celebrate achievements and identify further opportunities to support future graduating classes.

Perspectives: Peer Relations

It is essential for students to feel safe and supported in their school environment. This survey helps you assess the effectiveness of anti-bullying policies by gathering students' insights on critical areas, such as:

- reporting and responses to bullying.
- safe and unsafe areas on campus through school mapping.
- the impact of bullying on wellbeing.

Use this data to inform strategies for fostering a safe, inclusive environment. Experts in student wellbeing have ensured that the survey is respectful and mindful of students' perspectives.

Perspectives: Boarding

Understand the lived experiences of boarding students and their families with this focused survey designed for schools with residential programs.

Key benefits include:

- student safety, belonging, and engagement in the boarding context.
- family perceptions of communication, care, and overall boarding experience.
- data to guide targeted improvements in residential life and student support services.

The Boarding survey offers valuable insights to inform pastoral care, student wellbeing, and residential life improvements.
