Teacher Accreditation in NSW.

LEADERS OF ICT PROGRAM

REGISTER NOW

Who is this program for?

Directors of ICT, Directors of Innovation and other Leaders of ICT in schools. It is also suitable for those considering a leadership role in ICT in schools.

What does the program include?

This four day program provides Leaders of ICT and aspiring leaders with the knowledge and skills required to successfully contribute to the leadership of a school. This involves providing the direction and influence to lead teams from a strategic perspective as well as the skills to effectively manage change in a dynamic and complex environment.

Starting with what it is to be a leader and your leadership strengths, it will encompass team leadership and people management, strategic and operational leadership planning and management.

In addition to the four days, participants will engage in project-based leadership learning where each participant will identify and initiate a change project in their school between the first two days and the final days.

If you already have an AIS user profile, please login to the AIS website to **REGISTER** for this event. To establish an AIS user profile please go to www.aisnsw.edu.au. For more information, contact the AIS Leadership Centre at adminLC@aisnsw.edu.au
